Hi [REDACTED] -

Copying Jeanne and Meredith.

Don't want you to think we have forgotten about this. We have not. As you can imagine we have been working on preparing for the hearing and finding the appropriate time to speak with the client about turning over all of her journals. As her lawyers, we are obviously going to advocate for this to happen but we need to get her consent.

Thanks for your patience.

Sure, I'd like to see the documents myself but it would be helpful to have you walk me through whatever you think is important. Thanks.

Talking with client re other diaries but if she is OK I think it would make sense for us to go over some of them with you as they are not all obvious as to meaning. I will circle back.

Hi [REDACTED]

Have you had a chance to look at what Jeanne sent. Had a few follow ups and a question if you could let me know a good time and number to reach you. Thanks !
