[REDACTED] turned 17 years old on [REDACTED] 1

To send you away and take away your life.

Ticking time with shortened schedules and waving all my absent days to fit the scheduling of  
vile men!

Was worth it?

No do not answer that.

I know I never have been.

It doesnt matter how far away you are.

No matter how good you think they are.

Even the old president! They will get you.

He should have been thinking of Chelsea! Gross!

In a plane on a yacht in NY, in DC, at the vineyard.

On the island. In palm beach.

It doesnt matter.

Disgusting pigs like Allen Douschewitz and Mr. Caruthers and even Mr. Islam will hurt you especially if Ghislaine is busy or not with you!

I feel broken and exhausted.

I am so fucking tired of this sick and twisted “game” that is causing such physical and emotional pain!

These pigs who call themselves smart and talk about Harvard act worse than animals!

They make a bad name for animals!

Just fucking sick!

Mr. Sauerkraut krauss and martin minsky are gross but I felt sort of sorry for Mr. Novak.

He was as uncomfortable as me.

Ivy League schools do not equal smart or good.

It seems more like trash!

Yucky but they cant behave!

The disgusting Mr. staley if anyone ever calls me tinkerbell again I will lose my mind

He left bloody marks on my arms from his belt and thought he had had the right to call me that when he has ears as big as a dumbo.

I should have called him that in return!

You've been a very very.... [clipping: Naughty girl]

I think I'm going to break!

Why would they all allow Mr. Leonsis wait this long?

Why would he bring a friend and make a video?

I am so broken and the procedure was so painful and blood all over the sheets.

I cant play this "game" anymore.

I have to ask Ghislaine for help.

If anyone can make it stop it would be her?

She was so scared because I got so sick and was burning up with a fever.

She put me in freezing cold shower!

I cant do this!

Mr. Rails and Mr. Ein [clipping: blood on their hands]

but so does Jeffrey and Mr. Jacobson. Mr. Conway

Mr. vradenberg and Bill s.

All of them who dont care if this happens!

The game stopped but not in a way I thought.

I did not have to go with anyone except Jeffrey and now he and Ghislaine are fighting because I am now over 20 weeks with a baby we are certain is his and

I had to go to the Bahamas like this!

And for some reason no plan has been made because he does not want a procedure and she does and I am certain this is time critical but they won't stop fighting!

I do not want to be tied to Jeffrey for the rest of my life!

playing the piano well is not a good reason to think someone has good genes or should have a baby!

What about Ghislaine?

I am too young and he is too old!

Why is no one doing anything!

I dont understand!

I dont want this!

I dont want another painful procedure but I do not want this!

[under clippings of AOL, Stay Alert...]

That company does not protect kids!

They use it to find us!

And they are everywhere!

I cannot escape!

[REDACTED] glued two photos of girls she was there with.

The white female on left side of the page -

[REDACTED] says they talked about ballet because [REDACTED] danced on pointe (ballet shoes) and so did this girl. She says sometimes they called her by two names – she thinks it was [REDACTED] but is not absolutely certain – but she was sometimes just called [REDACTED] or [REDACTED] – but [REDACTED] is not sure how it was spelled.

The girl on right side of the page – [REDACTED] says “was insanely beautiful” and “exotic” looking.

Her name sounded foreign and [REDACTED] said it was a “peculiar” name; she would not even guess how to say/spell it. She did not believe this girl was foreign because she spoke like an average american girl.
